## Our Need for Healing

**LENT HAS BEGUN!** We know that our Lenten penance consists of three practices: praying more intensely, fasting with self-control, and giving generously to those in need. These practices bring about conversion of heart and they make us ready to accept the graces of our Crucified and Risen Lord at Easter. But let me explain another important effect of this discipline: prayer, fasting and almsgiving heals our brokenness and restores the order of God's creation.

Look at the fall of Adam and Eve in Genesis. We see that the sin of our first parents severely broke God's intended plan for creation in three ways. Firstly, humanity's relationship with God was wounded. Adam and Eve were created to know, love and serve God. But instead, after they sinned, they hid from Him out of shame. They feared God and could no longer bear to stand in his presence (Gen 3:9-11).

Secondly, Adam and Eve's relationship was broken. Eve was given to Adam as a companion and a helper, and he was to love her as his own self. But Adam failed to protect Eve from the wiles of the serpent, and she, in turn, enticed him into sin. From then, their relationship would be marked by attempts at dominating rather than loving the other (Gen 3:16).

Lastly, humanity's relationship with the rest of creation was broken. Adam and Eve were given the task of working and governing the earth. Created in the image of God, they were to be the instrument of God's rule over the world. But after the fall, creation would no longer yield to humanity's headship and labours (Gen 3:17-19).

The fall from grace ruptured humanity's relationship with God, with other people, and with creation. Today, each of us inherits these three broken relationships and we feel their effects. God seems distant to us and we sin against him often. Our relationships with each other are filled with pain, wounds and dysfunctions. And we do not have mastery over creation or over ourselves. Rather, we are often dominated by our love for created things such as pleasures or possessions.

Our Lenten disciplines heal each of these broken relationships. Lenten prayer heals our relationship with God. We fight against our inclination to run away from God in fear. Instead, we meet him face to face in love. Our charity to those in need heals our broken relationships with each other. Instead of domination, we serve each other in humility. And lastly, fasting heals our relationship with ourselves and with creation. In Lent, we let go of our desires and attachments to creatures, choosing instead to use created things for the glory of God and not our own satisfaction.

We must note that this healing of relationships is not our own work. We can only do this because we are united to Christ. Where the first Adam yielded to temptation, we see in this Sunday's Gospel that Christ, the New Adam, is victorious over the devil. He fasts for forty days; he does so for love of the human race; and he remains completely faithful to the Father. We too can be victorious over Satan, but only because we are part of the Body of Christ through the Holy Spirit. We are united to the King, Conqueror and Divine Physician. In him, the order of God's creation is restored and all our brokenness is healed.

*Wishing you a blessed week ahead,*

*Deacon Matthew*

## Caritas - Project Compassion

Please take home a Project Compassion box and a set of donation envelopes to support Caritas Australia this Lenten season and help support vulnerable people around the world, now and **For All Future Generations**.

With your support, Caritas Australia has been able to support vulnerable communities around the world to tackle poverty, food security, education, water and sanitation and disaster risk reduction. Project Compassion 2022 reminds us that the good that we do today will extend and impact the lives of generations to come to build better future for all.

As St Pope John Paul II said,  
**"The future starts today, not tomorrow."**

Together, we can help vulnerable communities face their challenges today and build a better tomorrow **For All Future Generations**. You can donate through Project Compassion donation boxes and envelopes available from your Parish, by visiting [lent.caritas.org.au](http://lent.caritas.org.au), or by calling 1800 024 413.

**Anatercia, 12**, was struggling to cope with adult responsibilities after her father died. Then she participated in Caritas Australia-supported training and gained access to psychosocial supports.

Now, Anatercia can easily access clean drinking water, community members are able to grow healthy crops all year round, and there is enough nutritious food to eat. Anatercia feels better supported by her community, has more time to study and do her homework, and hopes to fulfil her dream of becoming a nurse.

### God's Gift – Life

As I think back, this time last year, I was undergoing cancer treatment. It was a long and painful journey. This journey was made easier by God's grace and his unconditional love. I was surrounded by wonderful priests and St Patrick's parishioners and friends offered their prayers, support and assistance. This resulted in my quick recovery and now I am in remission.

After the initial shock, I embraced cancer as a temporal suffering for the greater glory of God. I felt inspired to offer it for souls in purgatory, for the holy priests and churches all over the world. My major strength during surgeries and treatment was from holding my rosary tightly and a prayer shawl. Both my surgeries were delayed to 3:00pm, the Divine Mercy time. I felt his presence and soon found myself sharing my faith with patients, nurses and also teaching the rosary. This diverted my mind from chemo and I soon realised the purpose of God.

It's amazing how God works when we surrender to him. He slowly reveals mysteries of life to us. Life is a beautiful, precious gift from the creator. It made me realise we are here for a limited time and not to procrastinate. Now, every morning, I wake up joyfully and thank God for one more day to live, pray and to praise him!

A BIG thank you to all of you at St. Patrick's.  
God bless!

### Parramatta Catholic Foundation Appeal

The Foundation Appeal to support the work of the various Catholic agencies in our Diocese is still open for donations. You can pop an envelope into the regular collection this weekend or next weekend. **Donations are tax deductible.** You can use the envelopes, contribute cash or, most conveniently, donate online: [yourcatholicfoundation.org.au](http://yourcatholicfoundation.org.au). Please note the quota for our **parish** for **each appeal** is around \$11,000. If you use the online option, please ensure that you indicate via the menu that you are contributing for the Parramatta Cathedral Parish to ensure that your donation is credited to St Patrick's Parish. Thank you for your generosity.

### Lenten Courses

Lenten groups usually consists of a small group of 3 to 8 people who come together during the Lenten season to pray, reflect and share on the Sunday readings. Groups usually meet in the Cathedral meeting room or in the cloister cafe.

This year we have chosen the *Remember* Lenten Program book designed by the Diocese of Wollongong as a guide for our groups. We are hoping to run two weekly groups on

**Tuesdays at 10:00am and Thursdays at 7:30pm** commencing on Thursday 03 March and Tuesday 08 March. If you would like to join one of our groups it's not too late! Please let Pat in the office know.

### Launching St Patrick's Seniors' Ministry

St Patrick's Day Seniors' Breakfast  
Thursday 17 March, from 7:30am

"...they flourish in the courts of our God.

They still bear fruit in old age;  
they are ever full of sap and green,  
to declare that the Lord is upright..." (Psalm 92:13-15)

Many of us have experienced the joy of having a grandparent or a significant older person in our lives. Whether it's warm hospitality, sharing words of wisdom, a listening ear or sharing God's love in difficult times, seniors have an important role in the Church. A senior's ministry will greatly benefit our parish community. This ministry is for all adults aged over 60.

Please join us for the launch of this great ministry on St Patrick's Day. Breakfast will be served at 7:30am in the hall. Cost is \$10.00 per person. Booking is essential. Please book online. Go to the Eventbrite website and search for "St Patrick's Day Seniors Breakfast". You can also book by calling the parish office.

### St Patrick's Day Celebration - Sunday 20 March

With most of the pandemic restrictions lifted, it's time to celebrate as a community!

Join in the celebration of our Parish Feast Day **after the 11:00am Mass on Sunday 20 March**.

A barbecue lunch will be on sale for \$2.50. A white elephant stall will also be running and lots of games and a jumping castle for the kids.

There is no need to RSVP but if you can assist in any way, please contact the parish office.

Looking forward to seeing you there!

### Rite of Election

The Rite of Election will take place here at the Cathedral **this Sunday at 2:00pm** for all those across the Diocese who are seeking baptism or reception into the Church. Please keep them in your prayers, especially Sasha, James and Charlie from this parish.

### Prayers for the Sick and Deceased

Please note that we will be publishing the names of the sick and deceased, and those for special intentions, for **two weeks** at a time. This is to ensure that we are fair to everyone who wants a family member prayed for. If the parish is informed that the sick person is still in need of prayers after two weeks, we will continue print their name for a further two weeks, and so on. Thank you for your understanding on this matter.

## Saint of the Week

### 9<sup>th</sup> March - St Frances of Rome (1384-1440), Religious

Frances was born in Rome in 1384 and was married at the age of 13. Although she had wanted to be a nun, she was happily married for forty years and had three sons. She distributed gifts to the poor and ministered to the sick. She was remarkable for her humility and detachment, her obedience and patience in adversity (including her husband's banishment, the death of two of her sons from plague, and the loss of all her property). She was a mystic and contemplative, part of the great flourishing of mysticism in that period of time, and after her husband's death she retired to a convent she had founded, where she died on 09 March, 1440.

## "Quote of the Week"

"Our pilgrim life here on earth cannot be without temptation for it is through temptation that we make progress and it is only by being tempted that we come to know ourselves. We cannot win our crown unless we overcome, and we cannot overcome unless we enter the contest and there is no contest unless we have an enemy and the temptations he brings."

## Pope Francis' Words...

From Catechesis on Old Age: 02 March 2022

'Today there is a greater longevity of human life. This gives us the opportunity to increase the covenant between all times of life. So much longevity, but we must make more alliance. And this also helps us to increase with the meaning of life in its entirety. The meaning of life is not only in adulthood, say, from 25 to 60 years – no. The meaning of life is all of it, from birth to death, and you should be able to interact with everyone, and also to have emotional relationships with everyone, so that your maturity will be richer and stronger. And it also offers us this meaning of life, which is everything. May the Spirit grant us the intelligence and strength for this reform: a reform is needed. The arrogance of the time of the clock must be converted into the beauty of the rhythms of life. This is the reform we must make in our hearts, in the family and in society. I repeat: what must we reform? The arrogance of the time of the clock must be converted into the beauty of the rhythms of life. The alliance of the generations is indispensable. A society in which the elderly do not speak with the young, the young do not speak with the elderly, is a sterile society, without a future, a society that does not look to the horizon but rather looks at itself.'

## *Visits to the Sick...*

One of the many ministries we are called to is to visit the sick. This is an important ministry as it helps those who are unwell and unable to receive the sacraments in church to know that they are not forgotten by the parish or by God. If you know of someone who is unable to get to Mass, and would like a visit to receive the sacraments or even just a chat, please let one of the clergy know or contact the parish office.

## **BAPTISMS**

We welcome into our Catholic Christian family, the Body of Christ, these children who have been recently baptised...

**Juan Aban**  
**Lacey Rita Sheedy**  
**Kiki Nina Sheedy**

Please pray for these children and their families.

## **WEDDINGS**

Let us pray for those who are preparing for marriage, will shortly be married or have just married...

**Luke Rinn & Katia Rossi**  
**Samer Habibeh & Jessica Bucca**  
**Hayden Sammut & Megan Sutton**  
**Lachlan Fleming & Natalie Takchi**

## **DID YOU KNOW...**

**...that the Rite of Election, which happens this Sunday here at the Cathedral, is the point at which those unbaptised seeking to become Catholics are called "the Elect"?**

At this ceremony, the catechumens publicly acknowledge their desire to receive the sacraments of Initiation and are present with their sponsors. The catechumens are formally enrolled as candidates and are prayed for at this ceremony as they move into the final phase of their preparation of initiation - the period of purification and enlightenment.

# The Kids' Bulletin

First Sunday of Lent  
March 6th, 2022

Luke 4:1-13

Jesus spent 40 days in the desert preparing for His work. During Lent we spend 40 days getting ready to celebrate Jesus' death and resurrection.

**Can you find your way into the desert to be with Jesus?**

## Jesus Was Tempted by the Devil: True or False?

How well do you know the story from today's Gospel reading?

1. Jesus went to the desert and didn't eat anything for 40 days. True or False?
2. Jesus was never tempted by the devil. True or False?
3. Jesus wasn't hungry, even after 40 days with no food. True or False?
4. The devil said that all the kingdoms of the world belonged to him. True or False?
5. Jesus said that He would only worship the devil if he gave Him all the power first. True or False?
6. Jesus wouldn't throw Himself off the Temple because He said it was "putting God to the test." True or False?
7. The devil kept bothering Jesus, even when he ran out of things to tempt him about. True or False?

## Lent:

### Getting ready for Jesus' death and resurrection

Lent is the special time when we prepare for the celebration of Jesus' passion, death and resurrection. We get our souls ready by doing prayer, fasting, and almsgiving.

Prayer is talking with God. We need to talk with God even more than we need to talk to our family and friends. Lent is a good time to get into a habit of talking with God every day.

Fasting is eating less than you normally would. It's a good idea to give up a little something you like for Lent. Giving things up helps us remember we need God, not just food.

Almsgiving means giving to those who are in need. It helps us to be generous like God. Maybe you have a bit of money you can give to the poor or to the Church.

Answers to True or False: 1. true, 2. false, 3. false, 4. true, 5. false, 6. false, 7. false.
