## God's plan, seriously?

EVERY SO OFTEN someone says to me: "Everything happens for a reason. Isn't it all part of God's plan. And I think: "What a load of rubbish!" I mean just look at our world, do you seriously think this is all part of God's plan? It's awful - genocide, abuse, abortion, broken families, drugs, violence. This is the enemy's plan, not God's. God certainly does have a plan, an awesome plan. A plan to turn this all around. He communicates His plan through His will. But God gave us the right to choose and sadly, almost from the outset many, many people have used their choices poorly. And their lives, and our world, show the consequences.

Sometimes these poor choices are to do something bad - the enemy tempts us with pleasures, with fantasies, but these things are traps. They never live up to what they promise and they invariably drag us into the prison of sin.

Sometimes our poor choices are not something obviously bad, but they are just not God's will. For Adam and Eve, eating the fruit of the tree wasn't in itself an evil thing, it was wrong because it was something that was against God's will.

Some of us have grown up with the idea that God just says "no" to a lot of things because he wants to stop us having fun, but what that really shows is that we have a distorted image of God. God loves us deeply, and if He steers us away from something it's because He knows it will be no good for us. The knowledge that Adam and Eve gained by eating the fruit, did them no good. Their lives afterwards were so much less than their lives had been before.

Jesus told us : " I came that they may have life, and have it to the full."

If we believe that God loves us, then we have to realise that His will for us is to be happy and fulfilled. Everything He does is to help us find that path, and if we each follow that path then God's will for the world will be fulfilled. This is why in today's gospel, Jesus, as he always does, encourages us to do God's will.

So, if we truly want to be happy and fulfilled, our entire focus should be on trying to discern and follow God's will for our lives.

In this journey we must always remember that whatever God wants for us, the enemy wants the exact opposite. In fact, the worse the result, the better for the enemy. He revels in unhappiness, "life to the empty".

For us then, there are two actions to take away from this:

First, we need to create some space to actually hear God's will for our lives. Our lives are busy and noisy. We need to build some time into our day and week to actually listen.

Secondly, we need to pray for the grace we need to follow where His will leads us. There will be challenges and temptations but if we pray for God's grace, we will get that grace.

God's plan is an awesome plan, but it will not just unfold if we sit passively watching the world go to ruin. We each have a significant part to play in this plan. Let us become true brothers and sisters of Christ and join in His work of changing the world, by seeking and doing God's will.

*Wishing you a blessed week ahead,*

*Deacon David*

We extend our heartfelt gratitude to the children and their families for their dedication to attending formation sessions and spiritually preparing for this significant day. Congratulations to all of you!

May this Holy Communion be the beginning of a lifelong relationship with Christ. We encourage you to continue attending Mass regularly, allowing yourselves to be continually nourished by the Holy Eucharist.

Let us all keep these children in our prayers as they take this important step in their faith journey.

## CATHEDRAL APP TOWARDS LAUNCH DATE

## Liturgical Volunteers Roster

Last week, our liturgical volunteers received their roster via ParishStaq, enabling them to manage their serving times by swapping, finding a replacement, or declining a serving time directly from the email without needing to sign in to a webpage. We are excited to announce that this process will become even more efficient with the upcoming launch of our App.

With the App, volunteers will be able to see an overview of their serving weekends, including who they will be serving with, and even put names to faces of their fellow volunteers. This enhanced visibility aims to foster a stronger sense of community and collaboration among those serving at Mass.

We thank all our liturgical volunteers for their dedication and patience as we continue to improve our systems.

We encourage you to register for the walkthrough session if you are having difficulties?

## Did You Receive the Bulletin via Email This Weekend?

As mentioned last week, we are now sending the bulletin and liturgy guide via ParishStaq to your email. These emails are sent to all parishioners who have provided their email addresses and are recorded in our database. If you received the bulletin by email and prefer not to receive it in the future, you have the option to unsubscribe.

We understand that there may be some initial teething problems during this transition, and we appreciate your patience as we work through these issues. We are confident that these will be resolved as we move forward.

If you are registered as a family in our parish database, you may have received the email twice, or multiple family members may have received it. If you do not wish to receive duplicate emails or if you prefer that only one member of your family receives the bulletin, please use the unsubscribe link provided in the email.

Didn't get the bulletin? Contact the parish office to subscribe.

## App Walkthrough

We are excited to introduce our new Parish App and IT system, and we invite you to join us for walkthrough sessions to get familiarised with these new tools. All training sessions will be held in the Cloister Cafe at the following times:

- Monday, June 17: 10:00am - 11:00am (Mass Volunteers)
- Monday, June 17: 7:00pm -8:30pm (Mass volunteers)
- Wednesday, June 26: 2:00pm -3.30pm
- Wednesday, June 26: 7pm - 8:30pm
- Monday, July 1: 10:00am - 11:00am

We prefer to have smaller groups for these sessions to ensure that everyone receives personalised attention and can have their questions answered effectively.

Please register with the parish office if you plan to attend. If possible, bring a laptop, or tablet to the session to follow along with the training.

## POPE FRANCIS' Prayer Intention for June

### *For migrants fleeing their homes*

"We pray that migrants fleeing from war or hunger, forced to undertake journeys full of danger and violence, find welcome and new opportunities in the countries that receive them."

From Pope Francis...

*From a tweet  
dated 25 May*

"Dear boys and girls, God has loved us from all eternity. He looks upon us with the eyes of the most loving father and the gentlest mother. God never forgets us. He accompanies us every day and renews us with His Spirit."

# Saints of the Week

## 11 June - St Barnabas the Apostle

Saint Barnabas, originally named Joseph, was born on the isle of Cyprus and was a Jew of the tribe of Levi (see [Acts 4:36](#)). Nothing else is known about his early life. During Jesus' public ministry, Joseph became His fervent follower and might have been one of the seventy-two disciples whom Jesus sent out on a mission (see [Luke 10:1-24](#)). After Pentecost, as the Church in Jerusalem began to grow, the Apostles changed Joseph's name to Barnabas, which means "son of encouragement." His name change might have occurred because Barnabas supported the Church when he "sold a piece of property that he owned, then brought the money and put it at the feet of the apostles" ([Acts 4:37](#)). This is the first mention of Barnabas in the New Testament.

## "Quote of the Week"

"Virtues are formed by prayer. Prayer preserves temperance. Prayer suppresses anger. Prayer prevents emotions of pride and envy. Prayer draws into the soul the Holy Spirit, and raises man to Heaven."

**Saint Ephrem of Syria**  
(306-373)

## Did You Know...?

**...that the Catholic Church is the largest non-governmental provider of education and healthcare in the world?**

With thousands of schools, universities, hospitals, and clinics, the Catholic Church serves millions of people globally, offering education and medical care to those in need. This vast network reflects the Church's commitment to social justice, compassion, and the dignity of every human being.

In Australia alone, the Catholic Church operates over 1,700 schools, educating more than 800,000 students, and employ over 109,000 staff. Additionally, Catholic healthcare services, including 76 hospitals and 550 aged care facilities, provide essential care to millions of Australians each year.
