The Big Picture

HAVE YOU EVER seen one of those pictures where if you only see a small part of it, you would draw one conclusion but once you see the whole picture you come to a very different conclusion? In business we often counsel people to not make decisions based on short term factors, we tell them to keep their eyes on the big picture. If they do that, they make much better long-term decisions.

Today's scriptures are all about our temptation to make poor short-term decisions because we are missing the big picture. The first reading describes a person who has worked wisely, skilfully, and successfully (in human terms). Someone who has worked hard and lived with pressure and sleepless nights. And at the end of all that, the fruits just get handed to someone who didn't work for them at all. Living and working this way is all just a "vanity" the writer tells us. This message ties in beautifully with Jesus' parable in today's Gospel. The man in Jesus's parable has had a very successful harvest but his barns are already full. His only thoughts are about how to provide even more for himself and his future, but the only problem is, he has no future, he will die that very night, and all his plans and all his goods will be useless to him.

So, what are we to take from all this? Is it suggesting that we shouldn't work hard, or try to provide for our future. No, not at all, for most of us, that would be irresponsible, and akin to putting God to the test. Of course we should work, and strive, and plan, but, and this is a very important BUT, we need to recognise that there is a much bigger picture. Our life in this world, is only a part of our journey. As Pierre Teilhard de Chardin once wrote: *"We are not human beings having a spiritual experience, we are spiritual beings having a human experience."* Our human journey is only a part of our picture and if we make all our decisions as though it is the whole of our journey, we will make the wrong decisions.

The man in today's Gospel had a bumper harvest, the first thing he should have done was to recognise that this was not the fruit of his own work - he did not control the weather and all the other factors that resulted in a bumper crop. This was a blessing from God, and God gives us blessings so that we can pass those blessings to others. This man already had enough for himself. How different would his story end, if he had taken this wonderful blessing and given it to the poor around him. Even if his life still ended that night, how different would his encounter with God have been...

In this parish, God has blessed many of us with fruitfulness. At the same time, He has presented us with lots of opportunities to share those blessings – the CRISP project in our bulletin is one of many wonderful causes. Let us pray then that God will constantly remind us of the shortness of our lives, of the big picture, and let the focus of our lives not be on making ourselves rich in the sight of the world, but rather becoming rich in the sight of God.

Wishing you a blessed week ahead,

Deacon David

OPEN ARMS OF ST PATRICK'S PARISH

Thank you to all parishioners and others who have been supporting the parish initiative to sponsor a refugee family to be welcomed into the Parramatta community. This is one way of following the path Jesus laid out for us to offer acceptance and welcome to all, providing them with dignity, stability, friendship and practical support. The fundraising has reached the halfway mark so please continue to contribute in any way you can, either financially or with practical support. Please support the parish's efforts through the QR code.

Whether you want to commemorate a friend or stand in solidarity, all are welcome. You can find more information at parracatholic.org/events/homeless-memorial-service

Trivia Night - Thank you

A big thank you to everyone involved in planning and attending last Saturday's trivia night. Thank you to Fr Tom and Clare Carrington for MC'ing the event and to those who donated baked goods and prizes. The event raised \$2,580 for the Open Arms of St Patrick's group, helping to progress towards the goal of community refugee sponsorship.

Return and Earn

Many of you would be familiar with the fact that NSW has had in place for some time now a scheme to get a small refund on the return of some recyclable beverage packaging. As a parish, it would be good to get some benefit from this! Though we won't make millions, every little bit helps. We are in need of a small cage to place in the cloister area which would be specifically for this purpose. If you are someone who has the skills to fashion one of these, possibly out of a large bird cage, please contact the parish office to discuss. Thank you!

JRS foodbank Drive

For the past several years, our Cathedral parish has generously supported the JRS Foodbank through donations of non-perishable food items. We kindly invite parishioners to continue this tradition of giving by leaving their food donations at the designated collection point in the chapel. Your support helps bring hope and nourishment to those in need. Donations accepted until Sunday 31 August.

POPE LEO'S

Prayer Intention for August

For mutual coexistence

"Let us pray that societies where coexistence seems more difficult might not succumb to the temptation of confrontation for ethnic, political, religious, or ideological reasons."

From Pope Leo...

"X" post dated
25 July

"The communities that welcome migrants and refugees can be a living witness of a society where the dignity of all as children of God is recognised and in which all are brothers and sisters, part of the same family."

Saint of the Week

07 August - St Cajetan (1480 - 1547), Priest

St Cajetan was born in Vicenza and became a priest at the age of 36. He worked hard for the poor and the sick and for the reform of the Church; with this last aim in mind, he founded a congregation of secular priests which became known as the Theatines. These had three functions: preaching, the administration of the sacraments, and the celebration of the liturgy.

He encouraged the growth of pawn-shops as a means of helping the poor out of temporary financial difficulties and keeping them out of the hands of usurers. His congregation also cared for incurable syphilitics (a particularly virulent form of syphilis was sweeping Europe, having been imported from the Caribbean by Columbus's men).

His example encouraged many others on the path to active sanctity. He said [in a letter to Elisabeth Porto]: "Do not receive Christ in the Blessed Sacrament so that you may use him as you judge best, but give yourself to him and let him receive you in this Sacrament, so that he himself, God your saviour, may do to you and through you whatever he wills."

Information: Universalis

"Quote of the Week"

"I think that everything that is really good and beautiful, of inward moral, spiritual, and sublime beauty in people and their works, comes from God."

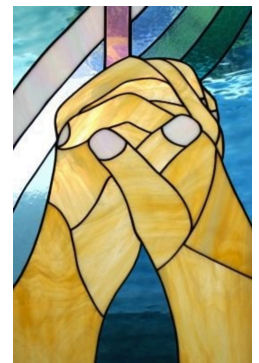

Vincent van Gogh
(1853 - 1890)
Dutch artist

Did You Know...?

...that there are seven petitions in the Lord's Prayer which we pray each time we attend Mass?

These seven petitions are outlined in the Catechism of the Catholic Church (n.2803 - 2806). The first three petitions carry us towards God ("thy name, thy kingdom, thy will") whilst the second series offers up our own expectations ("give us...forgive us...lead us not...deliver us"). These petitions go up from us and concern us at this present time in the present world, in recognition of our need for the loving mercy of God.
